REQUEST FOR CORRECTED FILING RECEIPT

Sir:

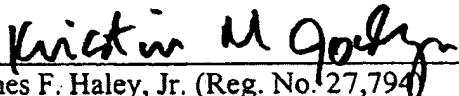

Applicants request that a Corrected Filing Receipt be issued in the above-identified provisional application. The Filing Receipt incorrectly recites the filing date of the application – June 18, 1999. The Filing Receipt erroneously lists the filing date as June 14, 1999. Accordingly, "June 14, 1999" should be amended to recite "June 18, 1999".

In support of this Request, applicants have enclosed a copy of the postcard date stamped by the United States Patent and Trademark Office (Exhibit "2"), listing the

filing date as June 18, 1999. Applicants have also enclosed a copy of the Filing Receipt and noted the corrections thereon (Exhibit "3").

Accordingly, applicants respectfully request that the Patent and Trademark Office issue a corrected Filing Receipt reciting the correct filing date of June 18, 1999. The error in the Filing Receipt is believed to be the responsibility of the United States Patent and Trademark Office. If for any reason the error is deemed to be the responsibility of applicants, the Commissioner is hereby authorized to charge payment of any fee due in connection with this Request to Deposit Account No. 06-1075. A duplicate copy of this Request is enclosed herewith.

Respectfully submitted,

SECOND REQUEST FOR CORRECTED FILING RECEIPT

Sir:

Patentees filed the above-identified application on June 18, 1999. The Filing Receipt, however, which was issued by the Office on July 16, 1999, incorrectly recited the filing date of the application as June 14, 1999. Patentees filed a Request for Corrected

Filing Receipt on February 19, 2003, but the Office failed to issue a corrected Filing Receipt prior to issuance of the patent. The patent therefore listed the incorrect June 14, 1999 filing date when it issued on August 19, 2003.

Patentees hereby repeat their request for a corrected Filing Receipt in this application.¹ In support of their Request, patentees provide herewith as Exhibit 1 a copy of the return post-card that accompanied the original application, as filed. The post-card was date-stamped by the Office on June 18, 1999. Patentees further provide as Exhibit 2 a copy of the original Request for Correct Filing Receipt. The Office date-stamped and mailed the return postcard indicating receipt of the Request. A copy of the return postcard is enclosed herewith as Exhibit 3.

No fee is believed to be required in connection with this Request. However, should it be determined that a fee is due, the Commissioner is hereby authorized to charge any fee due to Deposit Account No. 06-1075, Order No. 003602-0003-103.

¹ Patentees have already obtained a Certificate of Correction in this patent to correct the filing date on the Title Page of the patent. The Certificate was issued by the Office on November 28, 2006.
